

NATURE'S BESTOW

INTRODUCTION

- Nature's bestow Mushroom plant was inaugurated in Feb, 2018 by founder Mr. Ashwani Kumar Sharma & Mr. Arvind Kumar Sharma, supporting the local labours and farmers and having the best mushroom producing plant in the area of Buggawala, Tehsil – Bhagwanpur, Distt. Haridwar, Uttrakhand.
- Today we stand confident and high with two mushroom producing plants with a capacity of 4 to 5 Tons daily.
- Our aim is to employee every house in the region whoever is needy and grow together.
- We at Nature's Bestow aim to fulfill the dream of Honorable Prime Minister of "Make in India" and making India a self-sustaining & strong country.

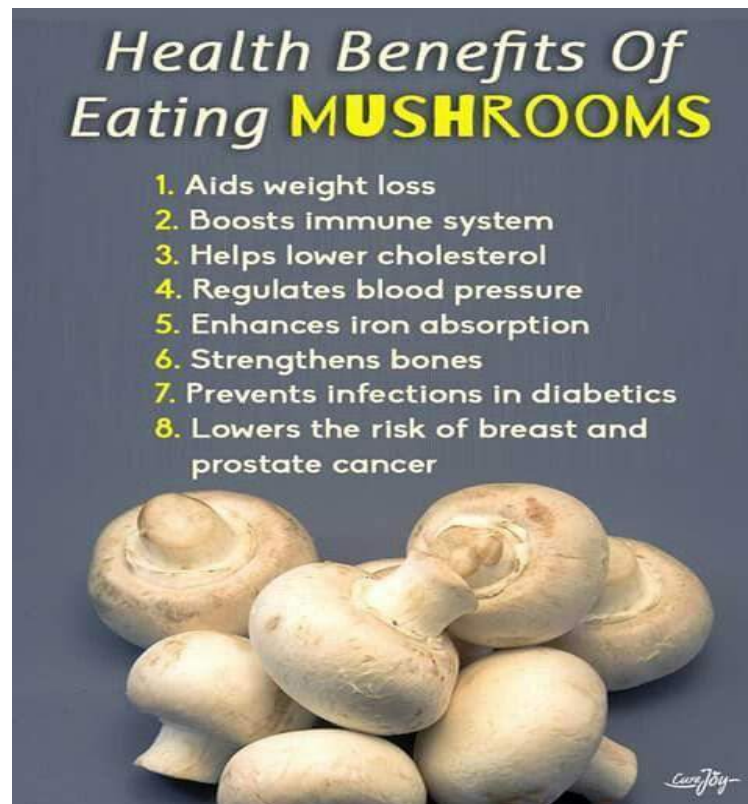

WHY NATURE'S BESTOW

- **Our Mission** - To produce healthy and delicious mushrooms while keeping the well being of our customers, employees and farmers through good conduct, green environment and constant innovation of healthier growing activities and to provide employment in every house of the region aiming for a self sustaining India.
- **Our Vision** - Nature's Bestow aims to deliver the good quality mushrooms in every part of India by staying true and confident to its customers without compromising on standards, policies and customer satisfaction.

- Nature's Bestow aims at producing the best quality of button mushrooms through its automated plant in the area of uttrakhand, producing 4-5 Tons of fresh mushrooms daily.
- Mushrooms are full of proteins and vitamins which boosts humanbody immunity providing Vitamin D.
